

# NEW PRODUCT RELEASE!!!

The new **E-Lift** can now blend into your décor like no other!

Our **Melbourne** designed and manufactured **E-Lift** is now the only lift to offer:

- Doors of your choice, timber up to 2700mm high, glass or steel! You can even use your own doors!
- Fully concealed door closers
- Use your own door furniture to complete the look
- Fix architrave around the doors to blend your **E-Lift** with the surrounding décor
- No visible door sills, seamlessly continue your flooring material into the lift car

Wide choice of interiors including full stainless steel or use our raw finished solid MDF car to match your homes wall colour to the lift car

- Telephone recessed into stainless steel enclosures
- Reduced Headroom and Pit options available

AND DON'T FORGET THE **E-Lift** COMES COMPLETE WITH ITS OWN FULLY ENCLOSED STRUCTURAL TOWER....RESULTING IN REDUCED CONSTRUCTION COSTS AS IT REMAINS TOTALLY INDEPENDENT OF THE BUILDING STRUCTURE....**NO STRUCTURAL WALLS REQUIRED!**

*Come and experience these new products at our manufacturing facility/showroom*
